BRING YOUR CONTENT **TO TTT MEDIA**

ADVERTORIALS IN TTT MEDIA provide you an opportunity to present your products, services, and business in extensive editorial articles. You can produce the article yourself, or it can be produced by us.

WE OFFER YOU an audience interested in work well-being, occupational health, occupational safety, and human resources. TTT magazine is a trustworthy, well established media. For 82% of our subscribers, TTT is the most important source of information in the field. 97% of our readers are satisfied with the print magazine, and 83% are satisfied with the newsletter.

ADVERTORIALS are placed in the print magazine together with other articles in relevant sections, which are work, occupational health, and occupational safety. Advertorials differ from journalistic articles by layout. Moreover, the word MAINOS (advertisement) will be added on top of each advertorial.

Ergonomisia ratkaisuja etätöihin

Maailmanlaajuisen koronavirus on ajanut viime viikkoina valtaosan työikäisistä etätöskentelyyn kotiin. Suurin osa etätöistä tehdään tietokoneella. Staattinen työasento estää verenkiertoa ja aiheuttaa usein niskä-hartassuuden jäykkyyttä, selkä- ja nivelkipuja ja jalkojen turvotusta. Usein kotona työvälineet eivät ole ergonomisesti suunniteltuja. Töitä tehdään usein keittiön pöydän ääressä, sohvalta nrokkien tai sängyssä. Pidemmän päälle näistä epäedullisista työasunnoista ja välineistä voi aiheutua erilaisia vaivoja ja kipuja.

Ota avuksesi GetUpDesk Light

Helpotusta etätöihin voi saada pienilläkin muutoksilla. GetUpDesk Light on nappärä pöytäso, jonka voi asettaa kahdeksalle eri korkeudelle, esimerkiksi keittiön tai olohuoneen pöydän päälle. Näin on mahdollista työskennellä seisten juuri oikealla korkeudella ja vähentää yksitoikkoista istumista. GetUpDesk Lightin saa helposti kolmeen osaan ja pilkon sängyn alle, kun sitä ei käytetä.

OUR ADVERTISERS ARE HAPPY WITH NEWSLETTER ADVERTISING

Our cooperation with many advertisers is based on a long-term relationship. Besides newsletters, our advertising tools are advertorials and banners.

We have enjoyed a rewarding long term cooperation with TTT Magazine. Through their newsletter and direct e-mails, we have been able to distribute up-to-date information on our work ergonomics solutions to occupational health professionals. Media coverage has become an all more important means of presenting our solutions, such as remote work ergonomics. It is our goal to bring work well-being to all work environments, also to those who work from home."

Lucas Lönnqvist, CEO, ErgoFinland Oy

Direct e-mails have brought us good visibility among customers in our field. TTT magazine readers have been interested in our training courses and also in our digital services."

Tero Roivainen, CEO, Suomen Ensiapukoulutus Oy

Job advertisements are part of our services. The newsletter and website Openings Column reach especially occupational health managers and professionals in work well-being. Follow-up report is included in the advertisement rate.
